## PROFILE

I'm a 24-year-old student, very passionate about people and society. For this reason, I have always tried to find engagements with a social impact.

## PROFESSIONAL EXPERIENCE

- **Freelance Researcher/Consultant**  
*(January 2019-present)*  
Researcher and consultant for the Think Initiative, a think tank researching China's global strategies along with various stakeholders.
- **Private Instructor in Mathematics for Student**  
*(2015 – 2017)*  
Private instructor in mathematics for high school and university students.
- **Administrative Assistant for the Flemish Government**  
*(July-August 2016)*  
Performed administrative tasks for the Flemish Organisation for Immovable Heritage. These tasks required a large amount of precision.

## ENGAGEMENT

- **Balkan SAYS Security Conference**  
*(October 2018)*  
Selected to participate in a conference for young professionals, sponsored by NATO and the American embassy in Slovenia. Participants exchanged knowledge with experts and professionals about the regional challenges to security and prosperity.
- **Political Secretary**  
*(2016-2018)*  
As the Political Secretary for a national student political organization, I was the main responsible to plan and organize events. I contacted academics and professionals to hold lectures and participate in events.
- **USOS Volunteer**  
*(2016-2017)*  
This is the University Foundation for Development Cooperation, which organizes events related to development on campus. Volunteers help USOS throughout the whole process, from strategic planning to logistic support.
- **Delegate Model United Nations**  
*(February 2015, 2016; March 2017)*  
This is a simulation of the United Nations, where each delegate represents a certain country. One learns to negotiate and to cooperate despite different interests and views, and one learns the procedures of the UN.
- **AIESEC UA External Communications & Content Creator**  
*(2015-2016)*  
Responsible for creating marketing campaigns and writing blogs.
